## President's Message

The Silver Jubilee year of the South Australian Soccer Federation, successor to the former South Australian Soccer Association, has proved to be a land mark and memorable year in the history of soccer in this State, the most significant feature being the incredible victory of Adelaide City to become the Champions of Australia, having beaten the cream of the talent of both the Northern and Southern Divisions of the National Soccer League. I am sure all will join with me in extending our heartiest congratulations to Adelaide City and wish them all the best for the future.

At the same time we extend our commiserations to West Adelaide Hellas but look forward to the speedy return of that club to the National League to which it most surely belongs.

1986, too, saw the announcement by the South Australian Brewing Company Ltd. of its sponsorship of the National Soccer League for a three-year period. The announcement was made at a function held in Sydney's Regent Hotel on the occasion of the National Soccer Press Awards Presentation on 27th October, 1986. The South Australian Brewing Company Ltd. is, of course, one of our own sponsors, and it must be a source of joy and hope to every soccer supporter in this State to know that our own West End sponsor is now the National League sponsor.

As I indicated last year, the Board marked its Silver Jubilee by a function in the Board Room at Hindmarsh to which representatives of all our clubs and sponsors were invited. At the same time 1986 is South Australia's Jubilee 150 year and by happy coincidence 1986 also marks the 200th year of the foundation of Penang in Malaysia, and in both these Jubilees the name of Light will be honoured.

To mark its Bi-centenary celebrations, the Government of Malaysia has organised an International Soccer Competition to be held in Penang in December, 1986, and our Board has accepted the invitation to participate in that competition as the representative of Australia. It

would be a tremendous climax to a successful Jubilee year if the State Socceroos could manage to win that International competition in which teams from all around the World will participate.

I extend my congratulations to the successful teams — Campbelltown in the Rothman's League First Division, and Cumberland in the Rothman's League Second Division, and wish all Clubs in that League all the best for 1987. But the success of South Australian soccer has not been achieved easily. It has entailed a heavy load of work on the Board's Executive Officer and it must be remembered that it has all been made possible by the magnificent sponsorship we enjoy in South Australia.

Rothmans, West End, Coca Cola, Ampol and P.G.H. Industries, our principal sponsors and a number of others have made it possible by their generosity to and their interest in our code.

It is necessary then for everyone of our member clubs and their members to support our sponsors and I express the hope that the Board would never have occasion to consider any reports that any of our member clubs, their staffs or their members would do anything to jeopardise the interests of our sponsors.

**SUPPLIERS TO THE  
S.A. SOCCER FEDERATION**

The Board expects and demands utter and complete loyalty to our sponsors and will not tolerate anything less. It should not be necessary for me to speak to you in these terms and I sincerely hope it will be the last occasion that I or any successor of mine would have occasion to speak in this way.

To express its thanks to our sponsors the Board, with the assistance and co-operation of all our member clubs, conducted what has now become a feature of the soccer year, the Sponsors' Dinner, which this year was held at the Lakes Resort Hotel on Saturday, October 11.

I wish you all success in 1987 and once again, on behalf of everybody connected with soccer in this State, congratulate Adelaide City, Champions of Australia for 1986.

**GEORGE JOSEPH,  
President**

## FROM THE GENERAL SECRETARY

**Nineteen-eight-six soccer year in South Australia brought many surprises. Some club performances were hailed as great achievements while others were not so good.**

**There is no doubt about the brilliant performance of Adelaide City who ended the season by winning the top prize in Australian Soccer and becoming very worthy National Champions, a tremendous effort indeed by everybody associated with the club.**

Unfortunately our other national league member Adelaide Hellas did not have a good year and lost its national league status. They will join our first division state league this year.

Our State League First Division was a very competitive and interesting season indeed. Campbelltown City must be congratulated for their consistent performance that finally gave them their first title. Well done to all at Campbelltown City. Cumberland United has been promoted to the first division, together with newcomers Central District Apac, whilst Elizabeth City and Modbury will play in the Second Division. May I also congratulate all other teams that won The Premiership in their respective competitions.

During 1986, our State Federation was honoured by an invitation to our state team from the Malaysian Football Association to participate in the special international tournament in Penang. This was to celebrate their 200 years of statehood for the City of Penang. The opportunity to compete in such a tournament was indeed one of honour, and provided the team with invaluable experience on an international level. A separate report by team manager D.Carapetis is contained in this book.

I would like to express our sincere thanks to the Penang Football Association, the Penang Civic leaders and everyone associated with the organisation of a first class tournament. Also for the hospitality extended to the players and officials of the State team and congratulations to our team officials for a job well done.

On behalf of The Federation I would like to congratulate all those players who achieved the ultimate in representing Australia. On the senior level we had Charlie Yankos, Captain of The Socceroos, Robbie Dunn, Sergio Melta and Steve Maxwell. On the youth level was Lou Hristodoulou and Damien Harley. In the under sixteens John Christopoulos and Greg Mills, well done fellas. It certainly gives administrators and coaches a great deal of confidence.

To our sponsors again I wish to extend our sincere gratitude to them all for their generous support to the Soccer Federation and the member clubs of South Australia. To Rothmans of Pall Mall who sponsor The Rothmans League and The Rothmans Medal, to Ampol Limited sponsors of The Ampol Cup Summer Competition, to The S.A. Brewing Company, sponsors of The West End Premier Cup, Coca Cola Bottlers who sponsor the Coca Cola Cup and to P.G.H. Bricks (SA) sponsors of the Federation Cup, we thank them all and look forward to yet another successful season in 1987.

May I take this opportunity to express our appreciation to all members of the media who contribute greatly in promoting the game of Soccer in this state, and trust they will continue to support and promote Soccer for South Australia. We wish them well for the coming season.

# Adelaide City Achieves the Impossible Dream

by "The Advertiser" Soccer writer Allan Crisp

**How do you win a national championship on a shoestring budget, without buying overseas or interstate players?**

**Adelaide City Juventus has the answer — good old-fashioned application to hard work and adherence to discipline.**

None of that, of course, will succeed without a high skill factor and a great degree of individual flair. But the essence of Adelaide City's "secret" formula in 1986 was TEAM-WORK!

Above all else, Adelaide City Juventus gave credence to the proverb, "toil is the sire of fame".

That Adelaide city was able to achieve what most believed to be the impossible dream is a tribute to the leadership qualities of coach Zoran Matic and coaching co-ordinator John Perin.

In handing out bouquets, the staunch work of president Charlie Caruso and his committee should not be overlooked.

The camaraderie of the committee room went close to matching that of the players on the park.

The fact that most of the Adelaide City players had been together for several seasons was a strong contributory factor to City reaching its NSL Everest.

Pre-season there was little or no hint that City was made of the stuff which brings high honors.

In Yugoslav-born Matic it had a coach who had achieved notable success at State League level with S.A. club Beograd, but this was, after all, his first season in charge of a national league outfit.

It also was hurtful that NSL rival Adelaide Hellas captured most of the local and national headlines as it embarked on a pre-season spending spree which saw it dubbed the Hellas "Highrollers".

While Adelaide City drew its purse strings tighter Hellas lashed out over \$100,000 to buy Socceroos Charlie Yankos and Robbie Dunn, Youth Socceroo Lou Hristodoulou, former Scottish professional Brian McLaughlin and Melbourne Croatia striker Gary Ward.

City's only pre-season purchases were SA State Leaguers, Paul Wilde from Eastern Districts Azzurri and Gary Higgins from Salisbury United.

But before a ball could be kicked in anger in the quest for national league glory, City lost Wilde when the lithe young striker suffered an ankle injury while playing indoor soccer.

Earlier City had to begin its defence of the SA Ampol Cup night series without 1984 Player of the Year Sergio Melta, who had returned from SA's tour of India with a broken arm.

But the early stages of the Olympic Airways NSL season was alive with land mines as City's first steps saw it lose key midfielders Brian Northcote and Adrian Santrac because of serious injuries.

Despite the set-backs City won the prestigious Ampol Cup and later significantly added to its player power by regaining Paul Shillabeer from Beograd-Woodville.

Northcote suffered a snapped Achilles tendon and Santrac damaged his right knee.

Ironically, both players were hurt during City's remarkable, near record 7-1 win over Footscray in the first home game of the new season.

Northcote's injury put the iron-man out for the rest of the year and while Santrac recovered, City had a further set-back when striker Steve Maxwell suffered a back injury early in the match against Brisbane Lions.

Those horrendous happenings were further soured when midfielder Charley Villani was red-carded as City downed Lions 2-0.

City's league campaign run was rudely interrupted by a 0-1 second round Nanda Cup loss to Adelaide Hellas.

The exit was a blow to City's pride, but since Hellas went on to contest the Nanda Cup final against Sydney City, there can be no real stigma attached to the loss.

Cup form is about play on the day, while league aspirations are materialised through consistency, so City soldiered on to finish third on the Southern Division league ladder with 27 points from 10 wins, seven draws and five losses.

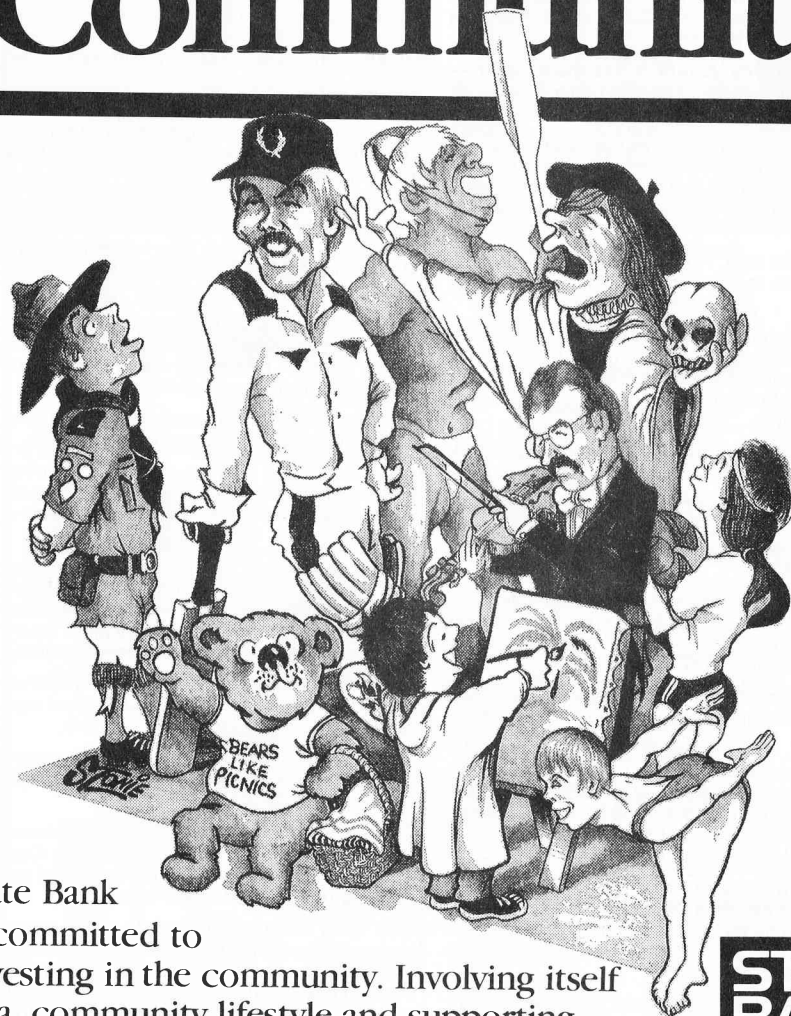

Above City were Brunswick Juventus and Footscray which both amassed 28 points with Juventus taking the league honors because of its vastly superior goal-difference.

So City went into the OASL top five play-offs against Footscray — a preliminary final which would be decided at Melbourne's

Adelaide City stunned the Australian Soccer world with a magnificent 3-1 second leg victory over Sydney Olympic. The joy of the win is shown here with a jubilant captain Bugsy Nyskohus displaying the Cup. — photo Joe Janko.

Olympic Park, while George Cross took on Heidelberg in the elimination final.

The Northern Division combatants were Sydney City against Marconi in the elimination semi-final and St. George versus Sydney Olympic in the preliminary semi-final.

SA was proud of Adelaide City's achievements but most realised that City was in exulted company and that it faced a herculean task.

City proved its courage and character by twice coming from behind to beat Footscray 3-2 in the Southern Division qualifying semi-final which peaked as a dramatic event when Sergio Melta converted a twice-taken penalty.

City's next hurdle was Brunswick Juventus in the major semi-final, but the SA team suddenly found it had an entire Oakbank course to leap because it was told it had to play at Hindmarsh Stadium instead of its home ground, Olympic Sports Field.

Worse followed when City was denied the use of its traditional black-and-white vertical striped shirts and was forced to wear its away strip while Brunswick donned the black and white.

City milked the last drop of drama from the situation by running on to the field with its black and white shirts worn over the top of its yellow strip.

Spurred by a huge sense of injustice City flattened Brunswick 2-0 with a two minute burst which realised goals from Charley Villani and Aurelio Vidmar to shoot into the grand final.

With Footscray beating Brunswick 2-1 in a thrilling extra-time preliminary final, City's tough task was to again front Footscray in the Southern Division final in Melbourne.

City, the fans believed, needed help and it got it in the shape of almost 2000 supporters who converged upon Victoria by plane, car and bus to witness what they hoped would prove to be City's finest hour.

The unbridled enthusiasm of the City supporters had to be seen to be believed as they carted banners and flags to Olympic Park.

Many dressed in Adelaide City's distinctive colors and they arrived early to set up a vantage point.

The City faithful and loyal were not disappointed, indeed they left the stadium in a state of delirium after City had beaten Footscray 2-1 to qualify for the home and away grand final against Sydney Olympic.

But the City fans had to endure their seemingly obligatory moments of anguish in Melbourne because Footscray took the lead through midfielder Suliman Curovic three minutes after half time.

But just as city had risen from the dead to flatten Footscray in the preliminary final so it staged another gutsy comeback with two glorious goals from Vidmar and Maxwell.

City's trail of triumph looked to be nearing the terminus when Olympic came to Hindmarsh Stadium and notched a calculated 1-0 first leg victory.

Olympic coach Manfred Schaefer adopted tactics designed to procure a draw, but a 79th minute scrambled goal by defender Tony Dakos gave him an unexpected away game bonus.

Matic could not disguise his disappointment, but declared, "We lost the battle, but we haven't lost the war".

Wily Matic spotted some weaknesses in Olympic's makeup and he knew that the glamor Sydney club would not play defensively in front of its fanatical home supporters.

The mood in the City camp for the trip to Parramatta Stadium was crammed with optimism.

The popular pre-match prediction was that city would win 3-0 — a prognostication which seemed strange when it was known that the Adelaide side would have to come from behind a third time in the finals series to achieve its goal.

But they were thoughts from within the City squad. It was an entirely different story in the Olympic clubrooms and a different version from the Sydney Press which gave City no hope of success.

City's historic 3-1 win on that memorable afternoon in Parramatta gave it the national crown on a 3-2 aggregate over the two legs.

The success sparked a series of celebrations unprecedented in the history of SA soccer football.

Thousands watched the Parramatta Stadium spectacular live on SBS television in Adelaide

and when the Adelaide City party touched down at Adelaide Airport on Sunday night at 8.33 there was a welcoming committee of over 2,000.

The aircraft captain relayed the word that the soccer team should wait until last to disembark and the players were greeted by airport scenes matched only by the arrival of the famous Juventus of Turin.

The players were whisked away to the Olympic Sports Field at Kensington Park where they were driven in a motorcade lap of honor to the accomplishment of exploding fireworks.

Then it was into the clubrooms which suddenly were rendered too small for the vast crowd wishing to pay their respects.

The festivities continued until the next day. Opinions on when the celebrations actually ceased vary, but some well informed Adelaide City club members swear they lasted until Christmas.

And just by some mischance that the memory of the great day should fade, the video is always on hand to relive the magical moments of the final.

The heroes of the final were Buggy Nyskohus (captain), Willie McNally, Paul Shillabeer, Neville Flounders, Alex Tobin, Adrian Santrac, Sergio Melta, Charley Villani, Aurelio Vidmar, Steve Maxwell, Joe Mullen and Paul Wilde.

A final in which Adelaide City Juventus defied the odds to materialise a modern day rags-to-riches fairy story of Boys Own Annual proportions.

## Historic Championship Success for Red Devils

by "The Advertiser" Soccer writer Allan Crisp

The weather was far from perfect and the Newton Sports Field pitch was soggy, but Saturday August 30, 1986 turned out to be the most sparkling day in the history of the Campbelltown City Soccer Club.

For it was on that memorable afternoon that Campbelltown slithered, churned and squelched its way to a 3-0 win over Elizabeth City to clinch its first Rothmans League first division title.

The Red Devils went into the last match of the season desperately needing a win to avert the threat coming from Croatia which had to defeat Beograd to climb above Campbelltown.

Beograd held Croatia to a 1-1 draw and Campbelltown took out the coveted league title by two championship points.

It was a fitting climax to an eventful season because Campbelltown had produced football of quality throughout and had never lost sight of its major responsibility — that it should entertain the fans.

After scoring its greatest triumph the Campbelltown City camp then proved that it knew how to celebrate success in grand style.

But celebration was not the sole province of Campbelltown City because by the end of 1986 the honor roll was evenly spread.

Adelaide City started the year by winning the Ampol Cup night series; Adelaide Hellas took out the top four Coca Cola Cup; Azzurri won the PGH Federation Cup and Beograd triumphed in the West End Premier Cup.

Beograd's success as especially sweet because it had been a beaten finalist in the Ampol Cup series and the Coca Cola Cup competition.

Meanwhile, Cumberland United won the second division championship to earn promotion along with Westfield Apac (now Central District Apac).

Campbelltown's title was a triumph for the forward thinking of its manager-coach David Jenkins, who recruited wisely in buying three experienced campaigners — Garie Dooley, Chris Key and Jimmy Mitchell.

But the man who exited in a spectacular blaze of glory was veteran striker Marcel Barendregt with two goals in the final league match to end the season with 13 goals, equal top with Peter Rankin of Adelaide Croatia.

It was a superb finale for the razor-sharp athlete who had earlier announced that 1986 would be his last season of competitive soccer.

Campbelltown later honored its 300-game hero with a testimonial dinner at its Newton Sports Field clubrooms.

The hallmark of Barendregt's success was his consistency and it was this trait which also applied to the Campbelltown City team as a whole.

At years end the record showed that Campbelltown had won 12 games (one more than Croatia and Beograd), drawn 9 matches and lost only one.

And the Red Devils scored 40 goals (a feat equalled by Beograd) and it conceded the least number of goals, 17 (one less than Croatia).

The last statistic highlights the magnificent part played by Campbelltown's goalkeeper Robbie Parks throughout the memorable year.

Skipper Steve Amos led by example as he typified the fighting spirit of the Red Devils during their season of content.

Runner-up Croatia, under new coach Peter Jaksa staged an incredible recovery from its dismal 1985 season by improving from 10th to second on the championship ladder.

The classy Jaksa touch was clearly in evidence during the season, but never more so than when Croatia played Campbelltown at Hanson Reserve when they clashed for the first time for 1986.

The game provided classic entertainment with every pleasing ingredient on display and a draw 1-1 proved to be a fitting and memorable result.

It seems cruel that a quality team such as Croatia should end the season with its trophy cupboard bare, but it was without doubt Campbelltown's biggest threat while lacking the consistency to bridge the narrow gap.

Beograd, with former Socceroo and Adelaide City striker Johnny Nyskohus at the coaching helm, enjoyed a satisfactory year after it recovered from the hang-over of qualifying for the Ampol Cup final.

Assessed on its own high standards, third was not entirely acceptable, but coach

Nyskohus uncovered some promising new talent which should benefit new boss Norman Lees in 1987.

Coaching changes unsettled Hellas' championship bid, but it managed a creditable fourth ranking.

Polonia disappointed by finishing in sixth position, but it can lay claim to being the only team to beat Campbelltown in a league game for the season and it also defeated runner-up Croatia.

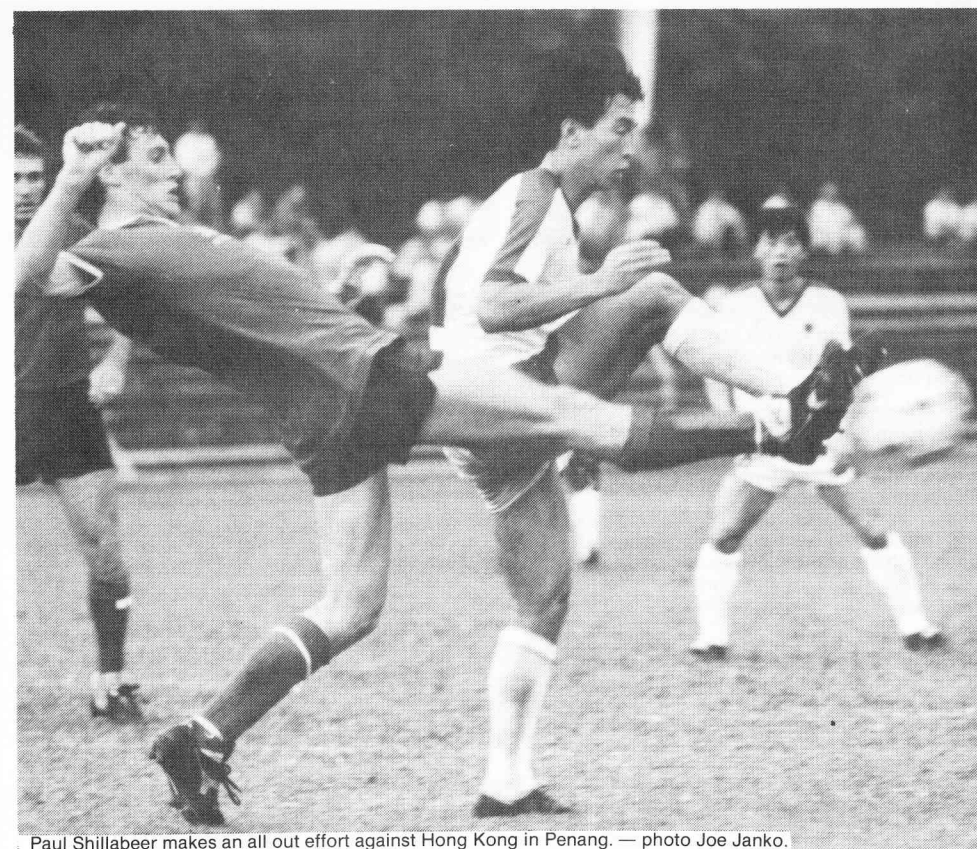

Salisbury United slipped from first to fifth from the previous season, but won one title — the team with the longest injury list in the league.

Modbury ended its first season in the first division in 11th place and will return to the second division wiser for the experience.

Elizabeth City finished bottom and will be relegated along with Modbury.

Elizabeth City's fall from grace is disturbing as it represents an area long regarded as the hot-bed of soccer football in S.A.

However, the proud club, obviously stung by the reverse, has already set the wheels in motion to ensure a swift return to the top division.

Paul Shillabeer makes an all out effort against Hong Kong in Penang. — photo Joe Janko.

# S.A. Unlucky in Penang tourney

by John Quitta

**South Australia can consider itself to be rather unlucky not to win the international tournament in Penang late last year.**

**F.A.M. X1, which was indeed the Malaysian national side, turned the tables on SA with a 1-0 defeat in the all-important final.**

Four days previously S.A. had walloped the same outfit 3-0 with goals from Alan Scott (2) and Brian Welsh.

That was in the second round after a disappointing scoreless draw in the opening fixture against Bangkok.

There was further glory for S.A. in the semi-final with a sparkling 3-1 victory over Hong

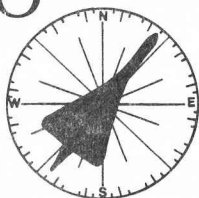

Kong. Goalscorers were D. Arezina (2) and Charlie Villani.

Although not looking for excuses for the final defeat, S.A. was set back with the semi-final being delayed a day due to torrential rain.

F.A.M. had thrashed Kuala Lumpur 5-1 in the opening semi-final but the weather conditions put paid to any chance S.A. had of playing the same night and their eventual opponents had the bonus of an extra day's rest.

Key striker Jimmy Mullen was another casualty after being injured in the first five

minutes of the final game and he took no further part in the clash.

In the opening match against Bangkok Jan Kierno and Chris Manou both suffered leg injuries with Kierno not playing again and Manou named only on the reserves bench for the final.

**Hong Kong was the Olympic team preparing for the elimination series and Kuala Lumpur was coached by Dr. Joseph Venglos the Malaysian Director of Coaching.**

Team manager Jim Carapetis said: "Overall it was an excellent tour, although disappointing to lose the final. The players were extremely well behaved and proved to be fine Ambassadors.

"Attendances were very poor and the Penang Football Association stood to lose some 20,000 to 30,000 Ringetts although Dunhill provided in excess of 100,000 Ringetts in sponsorship.

"The Tournament was well organised although the number of games played in such a short space of time affected performances.

"Coach Zoran Matic performed his duties well and considering the short preparation the team responded very well with discipline and respect. He is a coach who reads the game and the opposition well and should be considered for future teams.

"Trainer Rick Montiadis performed far beyond expectations. His room was a constant treatment room, day and night. We had every conceivable treatment available at all times. Due to the equipment and his experience we were able to recycle all the injured players with the exception of Kierno and Manou. I would personally recommend Rick's re-appointment to any future state teams.

"My thanks to assistant manager Andre Wilson, particularly at the Stadium and to Norm Lavis of Coca Cola who provided, through their Penang counterparts, a plentiful supply of drinks for the touring party.

"Mitre and Attack provided four new strips for the touring party and Mitre supplied the balls.

"There is much to be gained by players and the Federation if we continue to be exposed in the Asian region.

"However a more serious approach should be adopted with the touring party selected much earlier and a squad formulated early in the season", he said.

Participants: Penang F.A.M. XI, Bangkok, Kuala Lumpur, Hong Kong, Adelaide.

Touring Party: W. McNally, R. Parks, A. Scott, A. Tobin, B. Nyskohus (Capt), N. Flounders, B. Welsh, A. Santrac, C. Villani, J. Mullen, D. Arezina, P. Shillabeer, D. Moss, A. Brazzale, R. Slager, C. Manou, J. Kierno, Head of Delegation - George Joseph, Coach - J. Matic, Trainer - R. Montiadis, Manager - D. Carapetis.

Also accompanying the team were - A. Cichanowski, P. Nikolich, A. Wilson (Assistant Manager), J. Linarello, N. Lavis, J. Janko (Photographer).

OPENING GAME: Adelaide 0 Bangkok 0.  
TEAM: W. McNally, P. Shillabeer, A. Tobin, B. Nyskohus, N. Flounders, B. Welsh, A. Santrac, C. Villani, J. Mullen, C. Manou, J. Kierno.  
RESERVES: A. Scott, D. Arezina, P. Shillabeer, A. Brazzale, R. Parks.

SECOND GAME: Adelaide 3 F.A.M. XI 0.  
TEAM: W. McNally, A. Scott, A. Tobin, B. Nyskohus, N. Flounders, B. Welsh, A. Santrac, C. Villani, J. Mullen, D. Arezina, P. Shillabeer.

## LANDSLIDE ROTHMANS MEDAL WIN TO BRIAN WELSH

Brian Welsh, 1986 Rothmans Medal winner, is one of the most gifted Australian-born players to grace the SA soccer scene.

The popular Beograd-Woodville captain polled 31 points to become the ninth winner of the prestigious solid gold medal and the fourth player from the Beograd club to win the award since 1978.

And Friday September 5, 1986 was a great night for captains when another skipper, John Francis of Azzurri, finished second with 18 points.

But just as Francis held the spotlight when he won the Rothmans Medal in 1984, so too did Welsh after his landslide victory.

Croatia wing-striker Lemmy Vatsilas, Azzurri sweeper Jan Kierno and Modbury youngster Duane Gray tied for third place with 17 points each.

The \$6000 medal was presented to Welsh by the Premier, Mr. Bannon at the Festival Centre.

Welsh, 29, overcame a nagging foot tendon problem to win the coveted trophy - an injury which prevented the talented midfielder from training on a regular basis.

Despite the lack of preparation and having to endure constant treatment, Welsh did not miss a league match throughout the season.

A product of the Cumberland United junior organisation, he left Bailey Reserve in 1982 to join Beograd.

He represented SA at Under 19 level and has played eight games for the senior State team.

Welsh was a key player in SA's initial international triumph in December 1985 when it won the DCM (Delhi Cotton Mills) trophy.

Apart from supplying the winner, Beograd also headed the points tally with 81.

Campbelltown City was second with 79 points, while Croatia and Azzurri polled 75 points each.

# COACHING

## Mixed feelings on South Australia's fluctuating fortunes

BY **MIKE WELLS**

SASF DIRECTOR OF COACHING

As SA's historical Jubilee year closed it is worth taking stock of the more noteworthy aspects, review some of the areas in need and finally look at possible future directions.

Without a doubt the most noteworthy performance of the year was Adelaide City's national league title. The manner in which they came from being rank outsiders in the earlier stages to finish very worthy champions was magnificent.

Leading on from that success SA then came to the fore in national terms with locally based West End becoming the new major sponsor of the National League for three years.

During the year a number of local players gained national team selection.

The inclusion of Robbie Dunn, Steve Maxwell, Serge Melta and Charlie Yankos in the senior squad all at the one time was a record for S.A.

Adding to those were Louis Hristodoulou and Damien Harley who played for the national youth team. The former captained the side which won its way through to the finals to be held in Chile. Former SA State trainer Nick Joy was also a member of the official party.

At national junior level John Christopoulos and Greg Mills were named in the side which gained a place in the finals in Canada. Mills is the team vice-captain.

A number of other players attended national training camps. Indicating the depth of talent during 1986.

Our senior State team followed up on its Indian success by finishing runners-up in the Dunhill Inter-City Tournament held in Penang last December. The 1-0 loss was a very good performance bearing in mind the non-availability of our national team players, under preparation and injuries sustained in earlier games.

## SETBACKS

On the other hand the season was not without its set backs too.

The failure of Hellas to gain a place in the re-vamped NSL was certainly a big blow and will certainly have initial repercussions, however we must look forward and not back.

Indeed their return to the Rothmans State League will help to build a much stronger tier at this level, and it is a distinct possibility that local clubs will gain additional gate income from their return. Thus generating more funds within the State to the benefit of all sides competing.

The changing fortunes of this club has also meant that SA has lost the services of established players like Dunn, Ward and Yankos.

Interstate raids may not have ended there as seen with City's Steve Maxwell going to Marconi.

It is a sad fact that the drain of leading or promising players from this State continues. In recent years we have lost outstanding players like John Kosmina, David Mitchell, Yakka Banovic, Tony Dorigo, Ian McKie, Peter Boyle, David Jones and Andy Toland just to mention a few.

In the past our State youth and junior sides have produced some good results in national competitions and many players from these sides are now starting to flow into the senior grade. Quite a few will be making their Ampol Cup debuts in 1987.

There are signs however, as seen in our '86 results, that this period of success may have come to a temporary halt as other States start to reap the benefits from some heavy investment in assisted junior development programs.

Our present level of investment in funds and resources is almost miniscule when compared to the development taking place in NSW, Victoria, Queensland and WA. These States have for several years now been committing heavy funding and resources into junior and youth player coaching and development, state team preparation, facilities etc.

At the moment we are unable to match either the direction or the funding of these States which is coming from specific sponsorship, government grants and self financing projects and programs.

The inability to match the four bigger States places us in relative terms just ahead or on a par with ACT and Tasmania.

In the past SA has often been seen as a leader or innovator in quite a number of areas. However, sheer size, numbers and current economic factors mean that we are unable to maintain the regular high standing of the past — for the time being at least.

Funding or lack of it is not our sole problem.

## POOR FACILITIES

There is a distinct lack of good training facilities through almost all areas of the game.

State teams, junior and senior, are generally dependent upon the benevolence of clubs, often from the amateur and junior leagues.

Some senior clubs still train at sub-standard facilities, where either the surface or lights are poor.

Others might do well to take a really hard look at their junior structure and more importantly the type of coaching offered within that structure.

Better harmony and understanding needs to be found between the Junior Colts and the Junior Council.

These days sport and particularly junior sport has become the focal point of corporate and government schemes. Many new schemes now centre on the recreational side of sport and are beginning to involve children at an ever increasing younger age.

These are fine in principle but a dangerous side effect is that some groups in their haste to qualify for, or increase, funding are competing for younger and younger participants. We must not fall into the same trap.

One thing is certain, member clubs need to find the right balance between meaningful recruitment, better coaching, improving facilities and good management.

After a lengthy period of negotiation the Federation successfully concluded arrangements with local consultants and management of the SA McDonald's Co-Operative which will enable this fine scheme to continue for at least another three years.

McDonald's Awards were first introduced in 1982 on a joint venture basis with the ASF.

By 1984 the ASF had withdrawn leaving individual States to make their own arrangements. A number continued to work from existing stock but as stock dried up so did their interest in the Scheme.

This State along with WA saw the advantages of young players practising the various skills of the numerous awards.

In the last quarter of 1986 we were able to mount a new program. By the end of the year nearly 1,000 youngsters had gained awards bringing our four year total up to almost 5,000.

Clubs running colts teams plus schools would be well advised to consider introducing the various skills tests to their young players.

Leading groups in the scheme to date are Elizabeth & Districts JSA, Vacation Soccer School and Noarlunga & Districts SSA.

The leading individual club is Modbury Vista closely followed by St. Augustines with Westlands United of Whyalla in third place.

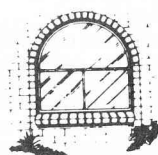

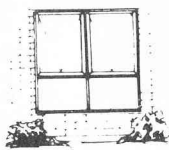

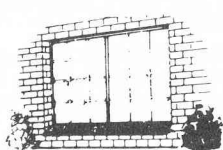

The three leading primary schools were Flaxmill, Reynella East and West Lakes in that order.

# VACATION SOCCER SCHOOLS

VACATION SOCCER SCHOOLS

MAJOR SPONSOR

ELDERS LENS WORTH  
FINANCE  
LIMITED

## Aims and objectives

Vacation Soccer Schools is a non-profit organisation, dedicated to the advancement of junior soccer within South Australia. The preferred age group is 8-16 years.

Its aims are to:

- Provide participants with specialised soccer skills coaching of a high standard.
- Encourage the development of self discipline and a professional attitude.
- Maximise the participants' potential as future soccer players.

## VENUE

SCOTCH COLLEGE, Carruth Avenue, Torrens Park, S.A. 5062.

The programme runs from 9.00 a.m. to 4.00 p.m. Monday and from 9.30 a.m. to 4.00 p.m. Tuesday to Friday inclusive.

## 1987 PROGRAMME

Dates

Monday 19/1/87 to Friday 23/1/87 inc.  
Monday 20/4/87 to Friday 24/4/87 inc.  
Monday 6/7/87 to Friday 10/7/87 inc.  
Monday 28/9/87 to Friday 2/10/87 inc.

Closing Date  
for applications

Friday 9/1/87  
Friday 10/4/87  
Friday 26/6/87  
Friday 18/9/87

## COACHING DIRECTOR

The Coaching Director is Bob Ferguson — Ex West Ham United (U.K.) and Scottish International — supported by a qualified panel of coaches. The participants are divided into groups of approximately 15 per coach, on the basis of age and ability. The coaching programme is based on the McDonald's Soccerroo Super Skills Awards and the V.S.S. Advanced Skills Award. For further information regarding our objectives and the skills programme please refer to the Prospectus.

For prospectus and application forms phone 79 5204 or 277 4956 or collect from the Receptionist, Elders Lensworth Finance Ltd., 39 Currie Street, Adelaide.

## South Australian Sports Institute

The Federation's joint participation with SASI has had a major impact on this State's soccer development over the past five years.

Each year 24 SASI Scholarships have been awarded to our most promising junior and youth players.

In the five years to the end of 1986 a total of 68 scholarships had been awarded, with all but 10 graduating to first team football.

The joint program played a major part in SA being National Youth cup finalists in 1983 and 1984 and third in 1985, also winning the National junior title in 1984.

On top of this, eight players have represented Australia at U/16, Youth or schools level, whilst seven other players have participated in national teams trials or camps.

Due to lack of adequate funding SASI has now found it necessary to review its whole policy relating to the future granting of scholarships.

The new rationing policy has meant that development squads no longer qualify for funding.

This loss will certainly have a decided effect on our future development particularly as very few clubs are able to adequately cater for the proper care and progress of their most promising younger players.

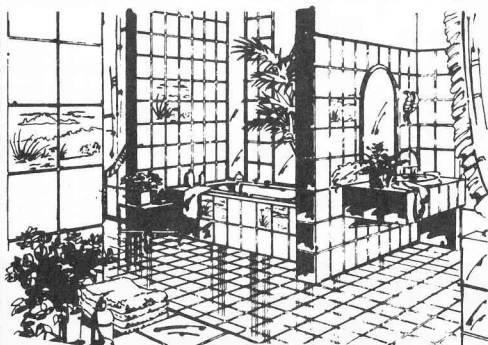

Scholarship holders for 1985/86 were:—  
Mark Abraham, Scott Baird, Paul Beltrame, Dinko Blazincic, Mark Brazzale, Steve Cooney, Ian Dawson, Tony Gasparetto, Damien Harley, Louis Hristodoulou, Graham Latham, Kurt Leitner, Con Lipapis, Andrew Melnik, Gary Moretti, Steve Niscioli, Con Pazios, Geoff Rowland, Paul Sanderson, Deni Stepic, Peter Tanjic, Chris Terpcou, Chris Tsoleridis, John Williams.

SA was the first State to run this type of venture, WA followed our lead and through greater funding was able to emulate us and become National Youth Champions in 1986. NSW through State Government funding is presently running a Youth Academy on a budget five times that which has been available to SA.

It is to be hoped that future negotiations between SASI and our State government are successful whereby we may once again have a progressive development facility and policy.

# BOTTLE BANKS

## RECYCLED GLASS IS MONEY FROM THE BANK

South Australians aren't usually stupid or spend thrift and yet they throw well over \$100,000 out with their garbage each year. It's not crisp dollars they cram into the bins, it's glass. Glass is one of the few totally recyclable substances in common use. All glass containers are recyclable giving great benefits to the community. At the same time keeping glass containers out of the waste disposal system reduces the transport costs and land-fill problems experienced by your local Council.

Recycling is also good conservation reducing the use of valuable raw materials such as sand, soda ash, shellgrit and energy. All glass containers are worth money so don't throw them away. Keep them out of the garbage, save them up and take them to your nearest Bottle Bank. These depots are experienced in sorting and returning glass containers to either Bottlers, where bottles are washed, sterilised and refilled, or to Australian Glass Manufacturers where they are crushed and melted down for the manufacture of new bottles.

Your Bottle Bank is waiting to pay you cash for your glass containers — it's money in the bag.

If you don't need the money, how about donating your glass to charity? There are many worthwhile causes that raise substantial funds from glass recycling.

If you haven't a favourite charity, you can maybe leave the glass for your friendly garbo or the kid down the street. When it comes to charity "good deeds come from glass." Glass is beautiful, useful and too valuable to throw away.

### BOTTLE BANKS PAY CASH FOR GLASS CONTAINERS

### 26.9.87

FINAL  
"A" v "B"

DOUBLE HEADER TO START AT  
1.00 p.m. and 3.00 p.m.

# REFEREES PLAY BIG PART

Referees in Australia are administered by the Australian Soccer Referees Federation.

The Federation is affiliated to the Australian Soccer Federation and through them to F.I.F.A., thus any referee who holds a certificate issued by the A.S.R.F. will be recognised around the world by other F.I.F.A. affiliated organisations.

Within Australia each state has an autonomous organisation to administer and promote the practical side of refereeing. South Australia has the additional responsibility of Northern Territory.

Organised refereeing in S.A. goes back to the start of the century.

In the early days, a club member would volunteer or be nominated to referee the match. After a number of disputes some older players decided that official independent refereeing was required. In 1905 the South Australian Referees Association was formed with eight members.

The war in 1914 curtailed organised soccer. the Association went into limbo to be resurrected in 1919. Fees at this time were 5 shillings (50 cents) rising to 10 shillings (\$1) in 1921.

The organisation grew through the twenties to 14 members but was again disrupted by the war in 1939.

Nineteen-forty-six saw the re-forming of the S.A. Referees Association. Soccer increased in interest with the influx of migrant workers and the need for referees increased. This development continued throughout Australia and the organisation of soccer on a national basis became evident.

National administration of referees took place in 1968 and has continued to develop with A.S.R.F. members officiating regularly at international level.

Today the South Australian Division of the A.S.R.F. has an active membership of 57 referees and some 20 non-active members who take part in training, coaching and inspection duties. These are the people who cover the S.A.S.F. fixtures.

Officials are also supplied to cover N.A.S.A. at Port Pirie and Riverland Soccer Association matches.

The S.A. Division is also well represented on the National League with three referees, six linesmen and three inspectors.

In 1986 our N.S.L. referees were used on a regular basis to cover fixtures, with Donald Campbell, Jimmy Rossis and Tony Martell travelling to Victoria and N.S.W.

Campbell is also a F.I.F.A. referee who has officiated in New Zealand, Thailand, the Middle East and Fiji.

Affiliated to the S.A. Division are eight other organisations — Amateur Referees Association, Elizabeth and Districts, Noarlunga, Whyalla, Alice Springs, Darwin, Broken Hill and Mount Gambier.

Information is exchanged with affiliates on new laws and F.I.F.A. interpretations of how laws shall be administered.

Examinations are prepared by the S.A. Division for all affiliates and the State Coach as well as senior referees, travels to the country centres, including Alice Springs and Darwin, to conduct coaching sessions, field tests and examinations.

Coaching is conducted for new members to prepare them for the Class Three examination, which is the first of three theory examinations a referee must pass before he can reach senior status. Their development is then assisted with field inspections and weekly general coaching to discuss the technicalities of the Laws.

The Division is constantly looking for new members. Anyone interested can contact the secretary Bob Wray on 336 6191 (home) or 255 5211 (work) to discuss the requirements, or just turn up at Hindmarsh Stadium on a Wednesday night at 8.30 when coaching sessions are held.

Notwithstanding the above, the S.A.S.F. Referees Committee is responsible for all referees activities and shall deal with any matter brought to its notice which may require disciplinary action against any referee as per S.A.S.F. Constitution.

R. WRAY  
Secretary A.S.R.F.

## Coaches Development

The training and education of coaches is a vital part of our future growth and development.

With changing school and government attitudes towards a healthy life style sporting organisations are being openly encouraged and financially supported to expand their development operations.

During the 1970's soccer in this State saw a great upsurge in numbers playing the game.

Coaching development was at a very high level and many sports were seeking our advice and help.

As we approach the latter part of the 80's member clubs would do well to take a long hard look at their development structures.

**WHEREABOUTS**

Several clubs already have set up their own internal training and coaching schemes for their most promising young players.

On the other hand far too many promising young players are being lost to the game in the main through poor coaching and leadership. Other sports are gaining from our losses.

In 1986 the Federation was again fortunate to have the support of Elders Lensworth Finance Ltd.

A total of 10 SASF/Elders Lensworth Coaching Clinics were held in the Adelaide area, catering for over 120 junior and school coaches.

Planning for the coming season takes into account a number of clinics in the metropolitan and country areas.

The Federation wishes to acknowledge the help and support of the Department of Recreation and Sport and the strong backing of Elders Lensworth Finance Ltd. without whom the Federation would find it extremely difficult to maintain its present coaches development scheme.
